Create connections through the Frederick Arts Council

Becoming a sponsor of FAC 50th Anniversary provides you with exclusive benefits such as special events with creatives, local business and civic leaders. Whether it's a VIP reception at *The Delaplaine Visual Arts Center*, a dinner to kick off the *Festival of the Arts*, or a arts showcase at one of the cultural institutions around Frederick, your participation allows you to forge deeper relationships with leaders who share your commitment to a vibrant and diverse arts community.

Advance your goals through the Frederick Arts Council

Joining as a sponsor of FAC gives you access to Frederick’s cultural community as well as visibility on a local, regional and national level. We will work to meet your organization’s specific needs - whether that is sponsorship of a program or event to gain exposure to a target market; or help coordinate an experience for your staff or board members. Let us serve as your cultural liaison and help find the right programs and opportunities that make the most sense for your business.

Build your legacy through the Frederick Arts Council

Our public arts projects have become a keystone of the Frederick County community. Sponsoring public art will give your company more visibility in Frederick County and help you build connections with members of the community. When you support artists of excellence in their endeavors, you give them the opportunity to reach their fullest potential. In addition, the impact of their work attracts new residents and tomorrow’s employees who can help sustain and fuel our economy. When we work together, we can keep our community in the spotlight and build tomorrow’s audience.

An event for every season
