Dedicated to the Art, Business, and Craft of Writing Since 1988

Amy L. Kaplan – Wolf Lover and MWA President

Author: Amy L. Kaplan

Genre: Fantasy

"Sometimes a blessing can be a curse." **Amy L. Kaplan**

A.L. Kaplan's love of books started as a child and sparked her creative imagination. Born on a cold winter morning in scenic northern New Jersey, her stories and poems have been included in several anthologies and magazines. "For as long as I can remember" said Kaplan, "I've created stories, pictures, and sculptures."

Kaplan was hooked on writing when she won a prize for illustrating a story in first grade. Then in middle school, an art teacher saw her aluminum foil sculptures and convinced Kaplan to take art. Thus was her creative path chosen.

"Through all of this," Kaplan continued, "stories continued to spin through my mind and keep me up at night as I rewrote scenes multiple times." She found out that translating to the written word was entirely different, and often felt frustrated and stifled. She had wonderful speeches in her head that wouldn't transfer to the written

word. Her 'artistic' handwriting and 'creative' spelling got in the way. Her teachers didn't appreciate that kind of creativity. Instead, the stories in her head came out in her paintings and sculptures. At college, she gained the confidence (and an introduction to computers) to write creatively. The images in her mind finally gained a literary narrative and eventually dialogue.

Artist Opportunity: Artist of the Month Program with Cowork Frederick

Cowork Frederick's Artist of the Month program supports up-and-coming local Frederick County artists by providing them an opportunity to exhibit and sell their work without the usual commission or fees. The program also brings ever-changing local art to the walls of Cowork Frederick for a more creative, vibrant work environment.

As part of the program, artists participate in a Frederick Artists Night (FAN) event with an exhibit and reception open to the public, along with live music from local singer-songwriters.

Cowork Frederick is particularly interested in artists who may not have had a chance to have an exhibition of their own yet.

The Original Entirely Possible Origin of the Chocolate Chip Cookie

Book by Marilyn Bagel, Music by Jordan Clawson, Lyrics by Marilyn Bagel

Directed by Christine Mosere

Sunday October 27 matinee at 2:00 pm

Monday October 28 at 7:00 pm, Tuesday October 29 at 7:00 pm

Who says the origin of the chocolate chip cookie couldn't have happened exactly this way? *The Original Entirely Possible Origin of the Chocolate Chip Cookie* is a tasty multicultural tale of culinary triumph, respect, and the "power of together" with ten original songs that combine the right ingredients: Start with King Cocoa whose overzealous pride and ego get in the way of his judgement. Add Stella Vanilla, a talented young woman with a delicious new vision. Mix in a pinch of the perils of perfection. Stir in the thought that good ideas come from different places and different faces. All lovingly narrated by Mama Cacao (Cah-COW), a wise bean-shaped being born from the seed of the tree used to make chocolate. Blend thoroughly until we reach the desired result that we're better together as Stella shows the king how they can both be in the chips and achieve worldwide acclaim with

everyone's all-time favorite cookie!

What's a Workshop Production? In this process you, the live audience, play an important role in our development of a new musical or play because performing it for you gives us the opportunity to see what works and what may need tweaking. You enjoy the performance of the complete script and music by an enthusiastic and talented cast of actors, with minimal if any sets and costumes.

Performances in ESPLoft -16 E. Patrick Street on the 2nd Floor in Downtown Frederick, MD 21701, (NOTE There is no elevator in this historic building.)

Esquivando las Miradas
by Juan Santos

Opening Reception Saturday July 6, 1-6pm
Artist Talk Sunday, July 7 at 2pm
Show Runs: July 6 – August 30, 2024

Juan Santos was born in the Bronx, New York City, and later lived in a community of Puerto Rican single mothers in inner city Boston. Santos earned his MFA in Visual Art at Lesley University in Cambridge, MA, and now teaches art at Boston Day and Evening Academy, an alternative high school in Boston. His students often live in dystopian worlds of their own. Using the visual language of cartoons and the street language of graffiti, Santos is able to relate to his students about contemporary fears and trauma. He uses the language of comics and the recurring image of a cartoonish bird to address the difficult themes so many young people are facing.
