## GUIDELINES AND OVERVIEW

### COMMUNITY ARTS DEVELOPMENT (CAD) PROJECT GRANT OBJECTIVES

The Community Arts Development grant process is intended to help strengthen local arts and cultural opportunities for Frederick County residents. The Frederick Arts Council, as a catalyst and advocate for arts opportunities in Frederick County, annually distributes funds in the form of CAD Grants to Frederick County not-for-profit, 501 (c)(3) organizations. Pooled from the Maryland State Arts Council, as well as corporate and private donors, these funds are intended to encourage arts programming that is open to the general public, takes place within Frederick County, and promotes appreciation of, and participation in, the arts by the citizens of Frederick County in the following disciplines:

- Dance
- Music
- Theater
- Visual Arts
- Folk/Traditional/Heritage Arts

FY 2026

- Literary Arts/Literature
- Media Arts/Film
- Multi-Discipline

### **CAD GRANT OPPORTUNITIES**

There are two pools of CAD grant funding. An organization should only apply for one:

- ☐ Arts organizations should apply for a General Operating Grant. If submitting a General Operations Grant, please refer to the General Operations Grant Application.
- ☐ Non-arts organizations that present arts programming should apply for an Arts Project Grant. This includes post-secondary academic institutions and governmental bodies. (This application)

Important Note: Public or private schools (K-12) and any affiliated entities are not eligible for these grants.

They may, however, qualify for an Arts-in-Education (AIE) grant from the Frederick Arts Council. New Arts in Education grantees will receive a maximum of \$500 as a seed grant.

### **GRANT PERIOD**

For events held between July 1, 2025, and June 30, 2026. CAD Grant awards are announced in the fall. Awards may be given out in two segments: 50% of grant awards will be granted in the fall and the remaining 50% is typically sent out in the spring.

### **REQUIREMENTS**

Organizations receiving funds from the Frederick Arts Council must:

- ☐ Be located in Frederick County and be incorporated/organized as a not-for-profit organization or be in the process of 501(c)(3) certification as determined by the U.S. Internal Revenue Service (IRS). Units of government, colleges, and universities are also eligible to apply. Public schools are ineligible.
- ☐ Comply with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990 (ADA), which states that no otherwise qualified person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts.
- ☐ Comply with Title IV, Section 1681, of the Education Amendment of 1972, and the age discrimination Act of 1975, Section 6101, which prohibit discrimination on the basis of sex or age.

- ☐ Comply with Title VI, Section 601, of the Civil Rights Act of 1964, which states that no persons, on the grounds of race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to the arts.
- ☐ Notify the Frederick Arts Council of any inability to complete the program or any major changes in the project or organization's mission or plans as outlined in the application, and request approval (in writing) prior to implementing the changes.
- ☐ Acknowledge the Frederick Arts Council funding in all promotional material, including, but not limited to, advertising, media releases, publicity, posters, T-shirts, and programs. A hi-resolution version of the Frederick Arts Council logo and acknowledgment text can be made available if the funded organization does not have such items.
- ☐ Provide up to 6 complimentary tickets at any time for use by the Frederick Arts Council board of directors, grant committee members, or staff for the purpose of evaluation.
- ☐ Keep accurate financial records showing how grant funds were used. These records must be made available to the Grants Committee for review upon request.
- ☐ A site visit for evaluation purposes may be made by a member of the Frederick Arts Council's CAD Grant Committee.

## **RESTRICTIONS**

Frederick Arts Council grant funds are intended to support arts programming and may not be used for the following purposes: capital campaigns, including purchase, construction, or renovation of a facility, acquisition of permanent equipment, profit-making ventures, retirement of existing debt, out of county travel, fundraising events, re-granting funds, or scholarships.

Requests for support related to public arts projects should be submitted to the Public Art Work Plan Committee rather than via CAD.

## **REPORTING REQUIREMENTS**

Organizations receiving FY2026 grants must submit

- ☐ The Grant Contract prior to receiving any disbursement of funds. These forms will be made available to the Executive Director or other designated representative in the fall.
- ☐ A Final Report upon completion of the project, which is due no later than August 21, 2026 via SlideRoom. Applications will not be considered from grantees that have failed to submit a Final Report for the previous year. Final Reports are posted on [FrederickArtsCouncil.org](https://FrederickArtsCouncil.org)>What We Do>Community Arts Development Grants by the spring.

## **REVIEW PROCESS**

The CAD Grants Committee is composed of Frederick Arts Council board members and community volunteers who bring a diverse representation of artistic, organizational, and financial credentials. All members of the committee will review each application. A member of the CAD Grants Committee will contact your executive director or designated contact for a personal interview regarding your organization's application. The recommendations of the CAD Grants Committee are submitted to the Frederick Arts Council Board of Directors, which votes to approve funding.

Each year the amount of funds available for distribution often varies, as do the number of qualified applicants. Previously successful applications neither guarantee nor entitle an organization to ongoing or increased funding. Late, incomplete, or incorrectly submitted applications will not be considered.

## **EVALUATION CRITERIA**

The Frederick Arts Council CAD Grant Committee will consider the following factors when evaluating applications:

☐ Artistic Merit: the artistic quality of the arts activities produced or presented by the organization, including

qualifications of the engaged artists and the organizational leaders.

☐ Organizational Effectiveness: the organization's ability to develop, fund, and implement proposed activities.

Financial need will also be taken into consideration, as well as adherence to previous funding requirements.

☐ Service to the Community: the degree to which an organization's operations and activities demonstrate an understanding of and responsiveness to the community. Included in this criterion is the level of partnership with the Frederick Arts Council and other constituencies in the community. Description of expected outcomes in the application (as well as in the Final Report) will help to demonstrate service to the community. Organizations and projects assisting all economic levels of the community through financial aid, free or reduced ticket prices, and other means will be given priority. This grant application is based on a similar format used by the Maryland State Arts Council (MSAC) to help local organizations streamline the paperwork process. The staff and board of directors of the Frederick Arts Council strongly encourage local organizations to apply for MSAC funding as well, if appropriate.

FY 2026

Note: Failure to comply with any of the conditions outlined in these guidelines may require the return of the grant funds or may jeopardize future financial support from the Frederick Arts Council.

Arts Project Grants support special arts activities produced or presented for general audiences that are not part of an organization's ongoing activities.

### **Funding Amounts**

Organizations may request up to 50% of their estimated project/program costs for FY 2026 or \$1,500, whichever is less. Therefore, these funds must be matched 1:1 with other funds (excluding MSAC or FAC support). Expenses not directly related to the arts program/project should not be included in the application.
