**Acrylic painter**

Colorful vibrant works of art come to life as Ellen creates, using acrylic paint on wood panels. Her work centers on encounters in the physical world, changes throughout the seasons of life, and stories found in sacred texts. Ellen's creative process of adding and subtracting elements is rooted in her life experience and in her desire to reveal that which is hidden and longs to be seen.

This past summer she was part of an international art workshop in Norway. In her extensive travels, Ellen has been drawn to explore the arts and crafts of many cultures. All of this has broadened her artistic vision and technique.

Cowork Frederick's Artist of the Month program supports up-and-coming local Frederick County artists by providing them an opportunity to exhibit and sell their work without the usual commission or fees. The program also brings ever-changing local art to the walls of Cowork Frederick for a more creative, vibrant work environment.

As part of the program, artists participate in a Frederick Artists Night (FAN) event with an exhibit and reception open to the public, along with live music from local singer-songwriters.

Cowork Frederick is particularly interested in artists who may not have had a chance to have an exhibition of their own yet.
