## Frederick Cultural Asset Survey and Art at City Hall

The City of Frederick is embarking on an arts and culture strategic planning process. To begin, the City is excited to ask residents to help identify the cultural touchstones — formal and informal arts and culture-related organizations, businesses, venues, local landmarks, and more — that mean something to you. Help create a community-developed list of places you visit and resources you use that have cultural value to you.

Choral Arts Society  
of Frederick

**Unapologetic Songs of the Sea**

Friday, May 2 at 7:30 p.m.  
Saturday, May 3 at 3 p.m.

From Gilbert and Sullivan to Disney and back, this delightful musical journey across the sea invites you to tap your toes, sing "yo-ho's" and usher in the summer!

The **National String Symphonia** concludes its 12th season featuring a quartet of works that began as string quartets. Many composers have paid tribute to the composers and works they most admired by arranging their smaller scale works into larger orchestral pieces. Also, many composers chose to expand their own quartets for larger ensembles. (Samuel Barber's "Adagio for Strings" is among the best known examples.) With works over a period of 200 years, from Purcell to Mahler, we will explore some of the best examples of making "more out of four".

## YOU'RE INVITED TO A WORKSHOP PRODUCTION OF A NEW FAMILY MUSICAL!

### **The Original Entirely Possible Origin of the Chocolate Chip Cookie**

Book by Marilyn Bagel, Music by Jordan Clawson, Lyrics by Marilyn Bagel

Directed by Gillian Shelly

**Sunday April 27 matinee at 2:00 pm + talkback with Playwright and Composer**

**Monday April 28 at 7:00 pm + talkback with Playwright and Composer**

**Black Box Theatre - Basement of Tatem Arts Center at Hood College**

Who says the origin of the chocolate chip cookie couldn't have happened exactly this way? *The Original Entirely Possible Origin of the Chocolate Chip Cookie* is a tasty multicultural tale of culinary triumph, respect, and the "power of together" with 13 original songs that combine the right ingredients. Start with renowned baker King Cocoa whose overzealous pride and ego get in the way of his judgement. Add Stella Vanilla, a talented young woman with a delicious new vision. Mix in a pinch of the perils of perfection. Stir in the thought that good ideas come from different places and different faces. All lovingly narrated by Mama Cacao (Cah-COW), a wise bean-shaped being born from the seed of the tree used to make chocolate. Blend thoroughly until we reach the desired result that we're better together as Stella shows the king how they can both be in the chips and achieve worldwide acclaim with everyone's all-time favorite cookie! *Recommended for ages 5 and up.*

**What's a Workshop Production?** *In this process you, the live audience, play an important role in our development of our new musical because it gives us the opportunity to see your reaction to this new work while you enjoy the performance of the complete script and music by a talented cast of professional actors with minimal if any sets and costumes.*

**\$10. For tickets, go to [www.ardeothatre.org](http://www.ardeothatre.org)**

InSpired, the documentary about Frederick, will have two FREE screenings for the public on May 2nd at the Weinberg Center in downtown Frederick. Because seating is limited, a maximum of four **tickets will be available [here](#).**

THE CYCLE OF AN ARTWORK requires that it be seen. Artists create visual works hoping they will capture and appeal to the imagination and feelings of the viewer. Art requires an audience and must move from the studio to the gallery to be seen, interpreted, and felt by the viewer. Artists have answered the call of "Being Seen" with an array of styles, media, and subjects, through masterfully executed, perplexing, and uniquely beautiful works. By visiting TAG/The Artists Gallery's juried exhibit, visitors assist the artistic journey of each exhibited work from studio to "Being Seen."
