Frederick Cultural Asset Survey and Art at City Hall

The City of Frederick is embarking on an arts and culture strategic planning process. To begin, the City is excited to ask residents to help identify the cultural touchstones — formal and informal arts and culture-related organizations, businesses, venues, local landmarks, and more — that mean something to you. Help create a community-developed list of places you visit and resources you use that have cultural value to you.

Calling all Musicians & Music Lovers!

Announcing a fun community-building music event for all-ages

You're invited to sing / perform 12 songs
at the **Carroll Creek Amphitheater**
in Downtown Frederick

- » The Milk Mountain Band will lead participants through the performance of 12 popular songs
- » All talent levels and acoustic stringed instruments welcome
- » Free to attend / participate - Registration req'd

Register *here!*

The **Global Z Recording Project** is hosting its first annual educational, community-building, musical performance event called **Carroll Creek Unplugged**. While the event is free (registration required), we are requesting donations from those who are able to assist us with advancing our mission and delivering programs that benefit student musicians and audio engineers in our community.

All who wish to attend the event are welcome! Vocalists and stringed instrument musicians of all ages and talent levels are invited to perform a dozen popular songs at the *Carroll Creek Amphitheater* as one musical community. We are also raffling off a celebrated **Jasmine S35 acoustic guitar!**

Scholars posit when individuals with lesser skill are partnered with people who have more knowledge or skill, teaching and learning may occur through social interaction, practice, and support. Thus, through this event, learning occurs in a musical community of practice and the community experiences a shared sense of happiness through the collaborative making of music. Outcomes include a holistic sense of experiential learning, joy, and the building and strengthening of Frederick County's music arts community.

If you would like to be a sponsor, volunteer, or for more information, please see the following link: **Carroll Creek Unplugged**

The **National String Symphonia** concludes its 12th season featuring a quartet of works that began as string quartets. Many composers have paid tribute to the composers and works they

most admired by arranging their smaller scale works into larger orchestral pieces. Also, many composers chose to expand their own quartets for larger ensembles. (Samuel Barber's "Adagio for Strings" is among the best known examples.) With works over a period of 200 years, from Purcell to Mahler, we will explore some of the best examples of making "more out of four".

YOU'RE INVITED TO A WORKSHOP PRODUCTION OF A NEW FAMILY MUSICAL!

The Original Entirely Possible Origin of the Chocolate Chip Cookie

Book by Marilyn Bagel, Music by Jordan Clawson, Lyrics by Marilyn Bagel

Directed by Gillian Shelly

Sunday April 27 matinee at 2:00 pm + talkback with Playwright and Composer

Monday April 28 at 7:00 pm + talkback with Playwright and Composer

Black Box Theatre - Basement of Tatem Arts Center at Hood College

Who says the origin of the chocolate chip cookie couldn't have happened exactly this way? *The Original Entirely Possible Origin of the Chocolate Chip Cookie* is a tasty multicultural tale of culinary triumph, respect, and the "power of together" with 13 original songs that combine the right ingredients. Start with renowned baker King Cocoa whose overzealous pride and ego get in the way of his judgement. Add Stella Vanilla, a talented young woman with a delicious new vision. Mix in a pinch of the perils of perfection. Stir in the thought that good ideas come from different places and different faces. All lovingly narrated by Mama Cacao (Cah-COW), a wise bean-shaped being born from the seed of the tree used to make chocolate. Blend thoroughly until we reach the desired result that we're better together as Stella shows the king how they can both be in the chips and achieve worldwide acclaim with everyone's all-time favorite cookie! *Recommended for ages 5 and up.*

What's a Workshop Production? *In this process you, the live audience, play an important role in our development of our new musical because it gives us the opportunity to see your reaction to this new work while you enjoy the performance of the complete script and music by a talented cast of professional actors with minimal if any sets and costumes.*

\$10. For tickets, go to www.ardeothatre.org

InSpired, the documentary about Frederick, will have two FREE screenings for the public on May 2nd at the Weinberg Center in downtown Frederick. Because seating is limited, a maximum of four **tickets will be available** [here](#).
