- » Free to attend / participate - Registration req'd

The **Global Z Recording Project** is hosting its first annual educational, community-building, musical performance event called **Carroll Creek Unplugged**. All who wish to attend the event are welcome! Vocalists and stringed instrument

musicians of all ages and talent levels are invited to perform a dozen popular songs at the *Carroll Creek Amphitheater* as one musical community. We are also raffling off a celebrated **Jasmine S35 acoustic guitar!**

Scholars posit when individuals with lesser skill are partnered with people who have more knowledge or skill, teaching and learning may occur through social interaction, practice, and support. Thus, through this event, learning occurs in a musical community of practice and the community experiences a shared sense of happiness through the collaborative making of music. Outcomes include a holistic sense of experiential learning, joy, and the building and strengthening of Frederick County's music arts community.
