## FAC's ArtMart

*FAC's Art Mart is a recurring feature promoting the work of our talented member artists for sale.*

### Esperanza Alzona

For today's ArtMart the FAC would like to promote the works of Esperanza Alzona. Esperanza's work seeks to represent the concepts and qualities of humanness, the characterization of various universal emotions, sensations, thought processes, the embodiment of self-identity and manifestations of spirituality.

"Seeing my work I wish the viewer to find resonance and relevance of "being human" as I explore and express in physical form various facets, abstractions and iterations centering around the mind-body connection and the human experience."

FAC's ArtMart

Today we promote her piece titled "Hearing Room" (2019) cast aluminum (6" H x 7-1/2" W x 7-1/2" D) ~ \$900

Esperanza describes this sculpture as "a pair of ears on decadent walls that give the outward appearance of interacting, however there is a void in the midst, because hearing is not the same as listening. It is a commentary on the hollowness and deterioration of modern discourse. There is a lot of noise and sound out there, but how much communication is really happening? The ears are on the exterior, but the room in the middle is empty."

If interested in this piece or Esperanza's other works, please contact her via email at [EPAIzona@comcast.net](mailto:EPAIzona@comcast.net), or visit her website [washingtonsculptors.org/memborgallery/alzona/](http://washingtonsculptors.org/memborgallery/alzona/)

## Frederick Arts Council Member Spotlight

### DISTRICT Arts

Interview with Staci and Bill McLauchlan, Owners, DISTRICT Arts

Summary of Artwork/Mission:

DISTRICT Arts is a contemporary art gallery in the heart of the vibrant historic district in downtown Frederick, MD. The gallery features local, regional and nationally recognized working artists whose creations evoke the modern world through the dramatic use of color and form, reflect world influences and diversity, and inspire, challenge, entertain and educate.

**Favorite Artist:**

With 35 gallery artists under contract we better not pick just one! Otherwise, Edward Hopper for his realism and Helen Frankenthaler for her abstract expressionism.

**Fun Fact:**

Before opening the gallery, owners Staci and Bill lived aboard a boat for 12 years while participating in 20-25 outdoor art shows each year.

## Emergency Grants Applications Now Open!

*\$5 million will be distributed through MSAC*

With the passage of the RELIEF Act of 2021 by the Maryland General Assembly, MSAC will distribute \$5 million through its [Emergency Grant Program](#). Created in March 2020 in response to the COVID-19 State of Emergency, Emergency Grants provide funding to arts organizations and artists for losses sustained because of programming, operations, and events that have been modified or cancelled.

This fourth round of MSAC Emergency Grant funding is available to independent artists, arts organizations, County Arts Agencies, and Arts & Entertainment District management entities. Per the legislation, MSAC will prioritize grants to organizations that have not received prior funding from MSAC or do not qualify for funding under other MSAC programs.

All applicants must complete an application through SmartSimple to request funding. **Applications open March 5, 2021 and must be submitted by 5 p.m. on April 1, 2021** to be considered for funding. [Click here](#) to access the application.

## FY2021 Network Technical Assistance Grants Open rolling through April 1, 2021

The intention of the Network Technical Assistance grant is to support organizational development activities beyond the scope of regular activities funded by Arts & Entertainment District Operating Support, County Arts Development, or Folklife Network grants.

Organizational development is defined as any effort that supports the stability, visibility, and effectiveness of an organization. This broad definition means that organizational development looks different based on each organization's unique needs. Contact relevant MSAC staff to discuss typical activities funded by Network Technical Assistance grants.

Funding: Grants are between \$500 and \$2,000 and are disbursed based on applicant requests. Grants may fund the entirety or a portion of an applicant's proposed organizational development activity.

Encouraging Maryland writers, poets, playwrights, and authors for 32 years

Author: Joni Eareckson Tada

Genre: Christian Writer

"Perspective is everything when you are experiencing the challenges of life." – Joni Eareckson Tada

Ken Tada and Joni Eareckson Tada

Joni Eareckson Tada was born in 1949 in Baltimore, Maryland, and lived a very active life (riding horses, hiking, tennis, and swimming) all through her growing up years. Then on July 30, 1967, after misjudging the shallowness of the water, she dove into the Chesapeake Bay, broke her spine, and became paralyzed from the shoulders down. During occupational therapy, she learned to paint with a brush between her teeth and began selling her artwork. She also learned to write this way, but now uses voice recognition software.

Tada describes herself as an evangelical Christian author, radio host, and founder of Joni and Friends, an organization dedicated to "accelerating Christian ministry in the disability community." To date, she has written over forty-eight books on the subjects of disability and Christianity, recorded several musical albums, starred in an autobiographical movie of her life, and is an advocate for people with disabilities.

Tada's first book *Joni*, written in 1976, became an international best-selling autobiography. This recounting of her struggle against quadriplegia & depression has been translated into over thirty languages and made into a feature film. Her second book, *A Step Further*, is Tada's response to the thousands of letters she received from people puzzled about the "whys" of suffering. Joni responds to these questions by showing how God used circumstances, people, and events in her own life and the lives of others to provide meaning to her disability. She has also written several children's books including *Tell Me The Promises* and *Tell Me The Truth* which both received the Evangelical Christian Publishers' Association's (ECPA) Gold Medallion.

Joni and Friends began a five-minute radio program in 1982 which can still be heard each weekday on over 1,000 broadcast outlets. Tada also records a one-minute radio broadcast "Diamonds in the Dust" that airs daily. Both programs provide listeners with a spiritual motivational boost for the day and have received the "Radio Program of the Year" award from National Religious Broadcasters.

Joni married Ken Tada in 1982. Learn more at: <https://www.joniandfriends.org>
