FRYO.ORG

The Frederick Regional Youth Orchestra (FRYO) exists to promote, encourage, and facilitate the appreciation and performance of music by the youth of Frederick County and the surrounding region. FRYO offers students the opportunity to study orchestral and band music from a wide range of time periods, genres, and cultures, and to participate in ensembles that reflect their interest and level of musical ability. Through a season of rehearsals and concerts, FRYO aims for the positive development of its student musicians through exposure to a variety of music literature, the experience of hard work, and the accomplishment of performance goals. On a broader scale, FRYO sees a higher intention--the cultivation of citizenship through musicianship.

Frederick Cultural Asset Survey and Art at City Hall

The City of Frederick is embarking on an arts and culture strategic planning process. To begin, the City is excited to ask residents to help identify the cultural touchstones — formal and informal arts and culture-related organizations, businesses, venues, local landmarks, and more — that mean something to you. Help create a community-developed list of places you visit and resources you use that have cultural value to you.

Artist Opportunity: Artist of the Month Program with Cowork Frederick

Cowork Frederick's Artist of the Month program supports up-and-coming local Frederick County artists by providing them an opportunity to exhibit and sell their work without the usual commission or fees. The program also brings ever-changing local art to the walls of Cowork Frederick for a more creative, vibrant work environment.

As part of the program, artists participate in a Frederick Artists Night (FAN) event with an exhibit and reception open to the public, along with live music from local singer-songwriters.

Cowork Frederick is particularly interested in artists who may not have had a chance to have an exhibition of their own yet.
